Introduction

My name is PCSO Stephen Heaps but please call me Stephen or Steve, I have been with the force for 18 years and 15 of those I have been a PCSO in Warrington West area. I was moved over to Widnes in April of this year and since then I have been moved about a bit while we try to fill the void left by previous PCSO's. Currently I have been asked to cover Ditton, Hale, Broadheath, Appleton and the Town centre and Farnworth until hopefully we see an uplift in staffing numbers. I keen to get involved and help in community projects and do my best to support a community.

If anyone would like to contact me it's best to Email me at Stephen.heaps@cheshire.police.uk

As you can imagine with the size of the areas that I have to cover, I am in demand a lot but I will try my best to be there and support.
