Hello again. I hope this report finds you all well. Remember this report is prepared for the Halebank area of our beat and the stats relate to this area only. PC 30465 Debra Jackson (Area Beat Manager) and I cover the areas of Ditton, Hale Village and Halebank and we try to be as visible as we can when duties allow. Our Sergeant is 37078 Amanda Moore.

Debra and I will always try and be available for anyone on our areas to speak with and see the contact details below

As is almost always the case there will be numerous reports covering a very wide range of topics called to the police by members of the public, businesses, partner agencies other police force areas etc. so we highlight those that we feel are more relevant.

We have a number of domestic incidents, abandoned 999 calls, vulnerable person's reports, "Concerns for" reports and Intelligence reports, traffic issues connected with the A562, Drugs intelligence reports. Most of these kind of reports will not be highlighted here. Shoplifting from one of our local stores had shown an increase and extra efforts were put in place to try and reduce these. Two persons have been arrested in connection with a number of these incidents since the last report while investigations continue.

Stats for the month are LOW it may be comforting to hear of No Burglary Dwellings or Other than in a dwelling (which is usually sheds garages, outhouses etc.) No Shoplifting offences, No Personal Nuisance and Environmental ASB (Anti-social behaviour), No Road Traffic Collisions with Injury or damage.
